Puri Dajuma

DAJUMA SACRED SANCTUARY RETREAT

A Dual Sanctuary Experience in West Bali

The Puri Dajuma Sacred Sanctuary Retreat is a carefully curated 8-day, 7-night combination stay designed to restore the body, calm the mind, and nourish the soul through the healing power of nature, mindful movement, and Balinese culture. This retreat invites you to slow down, breathe deeper, and reconnect with yourself in a way that feels both grounding and uplifting.

Unlike typical retreats that stay in one place, this experience is intentionally created across two of Puri Dajuma's most unique eco properties: Puri Dajuma Terrace Eco-Lodge & Spa and Puri Dajuma Beach Eco-Resort & Spa. Each location offers a distinct energy, landscape, and rhythm—allowing guests to experience a complete wellness reset through a two-stage retreat journey
